GIVING FOR IMPACT

UNIVERSITY OF MANCHESTER

The Hong Kong Foundation for The University of Manchester (HKFUM) is an independent not for profit corporation dedicated to the promotion and development of continuing relationships of loyalty amongst our Manchester alumni and friends in Hong Kong and China.

HKFUM is made up of a volunteer board of some of our most successful and notable Hong Kong based alumni. The board generously dedicate their time, experience and funding to helping the University raise funds for various scholarship programmes that benefit many students across campus and for vital research programmes that seek answers to some of the biggest issues that face our global community. They give generously themselves and will allocate funding to the University from gifts made by hundreds of alumni in Hong Kong and China each year.

DONATE NOW!

Make your gift today to one of the areas below and make an immediate impact on students and research at Manchester
